## Northside Animal Hospitals' 2nd Annual Santa Paws Picture Day

'Twas the night before Christmas, and all thru the house, not a creature was stirring, except for Santa's Elves. On Saturday, December 15, 2012, Santa made his appearance at Northside Animal Hospital at 11475 North Main Street, to have his picture taken with clients, their pets and even some lucky staff members as his elves.

Pictures were taken from 8 am until noon that day, with refreshments and plenty of playtime enjoyed by everyone. Staff members had an exam room decorated with wrapped presents, Christmas trees, wreaths and stockings with their names all hung in a row.

As a thank you for their clients' support and involvement throughout the year the patrons received a FREE picture of their pets with Santa Paws as their Christmas gift from the hospital. Dr. Sevelius and the staff members take pride in their community and have been an established veterinary on the Northside for over 30 years. Dr. Sevelius wanted to take the hours that the clinic was opened and turn the day into client appreciation time, in which no appointments were scheduled. For the clients who were unable to attend Santa Paws this year, Northside Animal Hospital hopes to see you next year when Santa Paws will return.

The staff wants to thank everyone who came out and participated in our Santa Paws Picture Day, especially Mr. Paul Poston for volunteering his time and helping out Santa's Elves, and also a HUGE THANK YOU to Santa Paws for coming and visiting with our clients during this busy holiday season.
